Some Cases Presented to Governor Are Pathetic and Others Without Just Ground.

IN HANDS OF WAR DEPARTMENT

Cannot Now Be Acted On by State

Vain pleas are being made to the of fice of Governor Stuart and Adjutant-General Sale to have men relieved from service with the National Army. This week there have been dozens of bleventh-hour appeals by wives, mothduty from reporting at Camp Lee cindly but firmly advised that nothing be done. These men have entered lovernor Stuart and General Sale, being State officers, are without any jurisdiction in the matter.

Some of the appeals appeared to be based on reasonable grounds, while others had no basis other than an ittempt to have discharged men who had no excuse. But the majority of cases were pathetic in the extreme, and cases were pathetic in the extreme, and the service of the United States will be provided with a card of authorization, countersigned by Major Cronk-

"At the office of the Adjutant-General hite. yesterday it was said that the move-tient of the selectmen of Virginia to Camp Lee was being effected in an entirely satisfactory manner. Unless there is a radical change in

Commander at Camp Lee Issues Order Affecting Virginia and Other States.

Major-General Cronkhite, command-ing officer at Camp Lee, announced yesterday that after September 26 no Officers, as Only a Discharge From Motor cars in the area of Western Peinsylvania, West Virginia and Virginia would be authorized to be operated with the mark "U. S. A." This action was taken by General Cronkhite to prevent infringement upon the rights allowed the Federal government in the operation of its meters. ment in the operation of its motor transports and dispatch cars. Police officers in the territory from which Camp Lee draws its men have been requested to hold all vehicles so mark-

yesterday by General Cronkhite:
"All motor vehicles owned by the government and operated exclusively by officers or employees of the government for officers was a support of the government for officers."

ernment for official use in the quartermaster corps, will have attached to them plates bearing an inscription reading 'Q. M. C.. U. S. A., No. ... The plates, with their lettering and numbering, to conform, in a general way, to the requirements in this regard of the localities under which said vehicles are to be used. Great care webleles are to be used. Great care will be taken to observe regulations as to speed and as to the rules of the

IMPLIED CRITICISM GETS QUICK RESPONSE

Ambiguous, Telegram From Accomac Moves District Exemption Board to Reply.

In order to clarify the matter the board sent the following telegram to the parties in question:

"Your telegram to-day to the Governor was referred to this board. The discharges that were granted were only temporary, and will be revoked if it is shown that fair treatment has not been given to other claimants. If you will be granted as a superintendent Knowless of the committee also seem to this board. The question of advancing the price of the railroad, knowing of the policy pursued by the Corporation Commission prior to May 10 in granting the dissolution certificates to railing the dissolution cer discharges that were granted were only temporary, and will be revoked if it is shown that fair treatment has not been to think they have no alternative in given to other claimants. If you will appear before this board Tuesday of appear before this board Tuesday of gas. Superintendent Knowles, of the next week and show that discharges Gas Department, recently reported to the committee, in seeking an additiongranted were granted under misap-prehension; that the situation of these parties differed from those of other claimants, the discharges will be re-

The district board also sent tele-grams to the Commonwealth's attor-ney and the local board of Accomac calling upon them to look into the merits of the cases in question and repart to the district board.

Last night the district board received the following reply from Accomac: "Every exemption granted by tele-graph on the 20th to Accomac was meritorious. Our telegram was mis-understood to district board. We simply asked that other cases equally meritorious be considered"

With Advance in Cost of Production, May Revert to Farmers From Whom Burden Will Fall on Consumer. Now Without Funds for Needed Improvements.

While no decision has been reached, and probably will not be for several months, members of the Council Com-

for the year, the matter cannot be given intelligent consideration, it was stated last night, but it is known that numerous suggestions have been made at recent meetings of the committee.

Many requests for improvements in recent months have been refused because of the lack of funds and these varies to the farmer-owners, since the content of the lack of funds and these varies to the farmer-owners, since the lack of funds and these varies to the farmer-owners, since the lack of funds and these varies to the farmer-owners, since the lack of funds and the proportion.

Colonel Stern has just returned from Charlottesville and Hot Springs, where he mustered in two companies. Companies at Ashland and Petersburg have already passed the inspection and have been accepted. The four companies of the Blues will be the spring to the content of the lack of funds and the proportion.

OPPOSED TO IMPROVEMENTS

in that county had received exemptions on agricultural grounds, while others with just as valid claims did not receive the same treatment, it was charged. This telegram amused the board.

In order to clarify the matter the board sent the following telegram to board sent the following telegram to the same treatment to the same treatment, it was absolutely necessary. They point out that under existing conditions it would be folly for the city to attempt any work that could be postponed for a board sent the following telegram to the same treatment to the same treatment, it was absolutely necessary. They point out that under existing conditions it would be folly for the city to attempt any work that could be postponed for a to-day is about as follows: The directors of the railroad, knowing of the

al appropriation for this year, that the al appropriation for this year, that the increase in materials would make the cost of the Gas Works more than \$160.000 than last year. He said that the price of oil has advanced 114 per cent, the price of coal 85 per cent, and many other materials fully 100 per cent. COST OF OPERATION WILL
WIPE OUT PROFIT

The net profit from the Gas Works last year was \$130,585, but the increas-ed cost of operation this year will ed cost of operation this year will more than wipe out that credit. In addition, Chief Inspector Shelton has informed the committee the more gas the city sells in 1918 the more money it will lose, while in substantiation of the suggestion that gas be advanced, Superintendent Knowles said that other public service corporations have

increased their prices on the fuel.

There are many other matters that
must also be considered in this con-Indicative of the grave interest manifested in the country-wide scope of the Red Cross activities was the of the Red Cross activities was the conference held at the Westmoreland action to be necessary to keep their men, and for four and one-half months of this year this one item means an ginia were present as members of the Speakers' Bureau to discuss the most efficient methods of organization of new Red Cross chapters and the development of existing chapters.

CHANCERY COURT WILL SUPERVISE DISSOLUTION

Sell Its Properties and Go Out of Business.

HIGHER GAS RATE IN SIGHT RIGHT OF WAY IS PROBLEM

It Was Acquired, or May Be Made Into First-Class Highway Across Southside.

ago by the Virginia Supreme Court gestions recently made in the committee to increase the city's revenues during the coming year. In view of existing conditions, the matter has been given wide discussion in official quarters because of the deep resilient. on the line, it was annual and presidate. Langbourne M. Williams, president and receiver of the railroad, will hold a conference with Judge William members of the Richmond Light Infanty Blues' Battalion, have applied for the Moncure next week, when the date that the same of the similar to the volunteers, and they mission to the volunteers, and they ters because of the deep realization that the needs of the city will be considerably greater in 1918, while the A. Moncure next week, when the date revenues at the present rate of taxa-tion will remain practically station-property will be determined.

tion will remain practically stationary.

The statement is made unofficially that the tax rate must be increased to provide additional funds. Another suggestion made is to increase the rate on gas from 80 to 90 cents or \$1. Unofficers of the company had received a flattering offer for a part of its equipment. It is not known whether this offer still would be made, and the proposition whether this offer still would be made, and the proposition whether this offer still would be made, and the proposition. Colonel Stern has just returned from the very purchased at a private sale.

Many requests for improvements in recent months have been refused because of the lack of funds, and those projects authorized have required far company will cease to exist upon its more money because of the high price of all materials than in past years. For this reason it is realized the budget must be far greater this year if any improvements are to be made, and the revenues must be correspondingly and company of the revenues must be correspondingly and company of the property resident to the Blues will be the next to enter the service. With the work of organization points forward the question of equipment for the volunteers is giving Colonel Stern and Adjutant-General W. W. Sale no small amount of concern. The Federal government has already promised the use of the 200 Springfield rifles, while

Of unusual interest to the district exemption board was a telegram turned over to it by Governor Stuart in which it was claimed by parties in Accomac County that certain people in that county had received exemptions on agricultural grounds, while others with just as valid claims did not

man Garnett to grant the certificate of dissolution in accordance with his previous action in other railroads, the directors applied to the Chancery Court of this city for a receiver, and Lang-bourne M. Williams was appointed.

CHILD WELFARE WORKERS MEET HERE IN OCTOBER

Plans for Convention Are Discussed a Conference in Office of Health Chief.

Plans for the holding of the annual convention of the American Society for the Study and Prevention of Infant Mortality, which will be held in Rich-mond the latter part of October, were discussed at length yesterday afternoon at a conference in the office of Dr. Roy K. Flannagan, Chief Health Officer, members of the local committee and representatives of all child-

welfare organizations in the city. Miss Gertrude B. Knipp, executive secretary of the association, addressed the meeting on child-welfare work and conferred with representatives of the local organizations. The conference was called primarily to arrange plans for the convention and to secure the for the convention, and to secure the co-operation of every organization in Richmond which is interested in child work in order that they all may take a part in the convention.

The local committee, which has these matters in charge, is composed of Drs. McGuire Newton, Ennion G. Williams and Roy K. Flannagan. There were ing yesterday afternoon to hear the ddress of Miss Knipp.

Miss Rebecca Hourwich, a represen-tative of the National Woman's Party of Washington, spoke at the corner of Sixth and Broad Streets last night on the issues which the suffrage pickets have been advocating so strenuously at Washington. Miss Hourwich is the press agent of Miss Maud Younger, of California, who will be here October 4 on a Southern tour. of the Western suffragists, and will doubtless be heard with interest even by those most opposed to the radical method adopted by the Washington suffragists.
